

The Daily Gazetteer.

SATURDAY, MAY 13. 1738.

N^o. 900.

LETTER of April 23, O. S. from Dresden says, they had a Report that the Duke of Saxe Mersbourg is dead: 'Tis certain indeed that he was very ill, and that 500 of the Saxon Troops which are in the Neighbourhood, had Orders to enter the Place forthwith if he dies, and to take Possession of it, because in such Case all devolves to the King.

Another of the 28th ditto from Hamburg, mentions the Arrival of Letters from Choczim by the Way of Poland, with Advice, that the great Army of Russia, under the Command of General Munich, was already advanced to Bender, and that a bloody Battle was fought there on the 29th of March last, O. S. in which the Turks were beat, and had 20,000 Men killed on the Spot; but they waited for the Confirmation of it, as well as the Particulars.

IRELAND.

Dublin, May 6. Yesterday was landed from on board a Vessel which arrived in the Harbour from England, the Corpse of the late Lord Riverston, together with a very fine Effigy in Wax-work, which is to be placed in the Family burying Place at Howth, where we hear the Corpse is to be interred in a very grand Manner.

On Wednesday last died at his House in Aungier-street, the Hon. Sir James Wood, Bart. eldest Major General in his Majesty's Service, and Colonel of the Regiment of Scots Fusiliers. He served the King and Country all King William and Queen Anne's Wars, and was greatly serviceable in the Sieges of Cork and Limerick, and settling the Quiet of this Kingdom; was made Governor of Dendemon in Flanders, when taken by the late glorious Duke of Marlborough; and during the Course of Threescore Years Service, he ever maintained his Fidelity to the true Interest of his Country by his firm Attachment to his Master King William and the Protestant Succession to the Crown, in his present Majesty's Royal Family.

COUNTRY NEWS.

Bristol, May 6. Counsellor Stephens is appointed Steward of the Sheriff's Court of this City, in the room of Counsellor Brown, deceased. And last Wednesday Mr. Stevens gave an elegant cold Entertainment to the Gentlemen of the Law in this City.

Three Companies of Col. Harrison's Regiment of Foot are ordered hither with all Speed, in order, as is supposed, to be planted about Kingswood.

These two Months past have appeared in this City, and Parts adjacent several of the French Prophets, who originally sprung up at Cevennis in France, and came over into England in the last Century, spreading their unaccountable Delusions and enthusiastick Notions of (raising People to Life after they have been dead three Days) prophetically foretelling the Destruction of Kingdoms and particular Cities, and many other diabolical Enthusiasms, blasphemous Belchings, false Divinations, and of their being the only Elect; and sent by the King of Kings, as his true Prophets, to warn the People, &c. They have so taken with the silly Notions of some weak unthinking People, that they have to this Day found Encouragement, not only to the Hazard of many Souls, but also the Ruin of many Families, by the extravagant profuse Liberality of their Followers, who are so fond of the Teachings of those Creatures, that all that they have is thought insufficient to bestow upon them. We have too many fatal Instances of the Calamities that have befallen divers Families in this City, several of whom have been unhappily deprived of their Senses by their diabolical Delusions and Teachings.

As to other Instances, here are enough also of Families being ruined, by their liberal Bestowings on those deluding Wretches, who besides the Loss of Money, are most of 'em reduc'd to an abject and melancholy State; and well enough may this be their Case, when their Minds have been agitated with the

strong Impulse of D —, their Families surrounding 'em, with the Cries of Poverty, the Loss of their Fortunes, and other doleful Tones of Misery.

But what is most surprizing, one Mr. W —, a Person in good Circumstances in this City, has followed this Sect upwards of 14 Years, and at his Instigations several of those Diviners came lately to this City, and he is at a considerable Expence, amongst the rest of his Clan, to support them with Money and Necessaries, to the great Grief of his Family, who are unhappily divided on this Affair, and make loud Complaints against him. There Design of coming here, it seems, is to disturb the several lawful Assemblies in this City, not only the Quakers, but the Presbyterians and Anabaptists also. Accordingly, last Wednesday, Mr. W —, and two Women, Prophetesses, got early into the Gallery of the Fryery-Meeting, and about half an Hour past Twelve o'Clock, it being the Yearly Meeting's Farewel, and several of their most eminent Preachers had gone thro' their Friendly Admonition to the People, as well of the Quakers as others, (a great Number being assembled) on a sudden, when the Meeting was ended, up starts one of those Women, and stripping off her outward Garment, she appeared in a monitrous and frightful Habit, with a Covering of Sackcloth (like a Moorish Dress) strewing Ashes upon her Head, and begun such a raving, with Postures so frightful, that the Meeting broke up immediately, and those Importers were push'd and hall'd out of the Gallery and Meeting, and mobb'd and pelted with Dirt all the Way they went, and obliged to take Shelter at the first convenient Place they could meet with.

At Night the Mob was so numerous on St. James's Back, that the Sheriff was obliged to go with his posse to disperse them. — But to prevent those Pretenders to Prophecy from making more Disturbance in other Assemblies, 'tis thought due Care will be taken of them.

The most Noble ELIXIR,
For Hypochondriack Melancholy in Men,
and the Hysterick Disease or Vapours in
Women.

IN three Days Time demonstrates to
every one who takes it, that it is absolutely infallible for the
thorough Cure of those perplexing Indispositions, even in their
highest and most grievous Degree, where nothing but Horror
reigns, where Reasoning is interrupted or deprav'd, and where
the Mind is confus'd with terrible Perturbation, Anxieties, and
Dependancy, even to Distraction, and the Body afflicted with
almost innumerable Ailments.

'Tis surprising to see how soon this CELEBRATED
ELIXIR, (even a few Doses of it only) entirely cures all
the vast Variety of Symptoms, and induces a new Train of cheerful
and pleasant Ideas, instead of those deep and black Thoughts,
those direful Apprehensions that so tenaciously dwell upon the
Soul, clouded the Understanding, and destroy'd all Notion of
ever receiving Comfort again; for it occasions a Flow of un-
disturb'd Spirits, and causes bright Gleams of Joy to break in upon
the Heart, and chase away the whole Load of depressed and me-
lancholy Imaginations so effectually, that the Patients are suddenly
reliev'd both in Body and Mind; and now enjoying perfect Health,
free and lively Spirits, steady, serene, and gay Thoughts, stand
as much amaz'd that they could be chain'd down to such a dismal
Way of Thinking, such dreadful Fears, and dark Incumbrances,
as before, they were hopeless of ever getting free from them.

In a Word, the Effect of this NOBLE ELIXIR in so
suddenly and infallibly curing HYPOCHONDRIACK ME-
LANCHOLY in Men, and the HYSTERICK DISEASE,
or VAPOURS in Women, in all their Shapes and Appear-
ances, even after all other Remedies have proved fruitless, is in-
expressible, as the vast Numbers of both Sexes who have been
perfectly cured by it, with the utmost Satisfaction declare.

It occasions no Manner of Disorder, is pleasant to take, a few
Drops of it are a Dose, and is to be had only at Mr. RADFORD's
Toyshop, at the Rose and Crown, against St. Clement's Church-
Yard in the Strand, at 5 s. a Bottle, with Directions.

Concerning Gleet and Seminal Weaknesses of all Kinds.

ALL judicious Physicians and Surgeons

allow, that nothing is more difficult to cure than
Stubborn Gleet and Seminal Weaknesses, whether occa-
sion'd by too severe purging for Venereal Injuries, violent
Strains, Pollutio sui, or any other Cause whatever; and
that they are dangerous in their Consequences, as well as
difficult to cure, is as certain, since they exceedingly weaken
the Generative Faculties, infect the whole Nervous System,
often bring on Heetick Heats, a Tabes Dorsalis, or Consump-
tion of the Back, or an Atrophy or Nervous Consumption,
which frequently terminate in Death itself.

All such, therefore, who have the Misfortune to be troubled
with Old or Stubborn Gleet, Seminal Effusions, Involun-
tary Emissions, excessive Nocturnal Pollutions, or any Weak-
ness of the Kidneys, Ureters, or Bladder, the Diabetes, or
Incontinency of Urine, or Difficulty of holding their Water,
would doubtless be glad to meet with a certain, safe, and
speedy Cure, which they most assuredly may, by taking
only a small Quantity of a transcendent BALSAMICK RE-
STRICTIVE ELECTUARY, now published for a general Good,
after having for many Years been experience'd never once to
fail perfectly curing the most Stubborn Gleet known, in
a few Days, without Difficulty or Trouble; as also all
other Weaknesses of the Back, Reins, Seminal Vessels, and
Urinary Passages, which almost instantly cures, bringing
to rights and restoring all those Parts and Passages to their
natural Tone and pristine Vigour, in a very extraordinary
Manner, and by taking a few Doses of it only.

This transcendent BALSAMICK RESTRICTIVE ELECTUARY,
is neither disagreeable to take, nor occasions the least Disor-
der, but is a wonderful Restorative in all Weakness and Decay
of Constitution of any Kind, and particularly strengthens the
Back, Reins, Seminal and Urinary Vessels to an immense De-
gree, inasmuch that in any Debility of them, one Dose of it
does more than ten of any other Remedy yet found out; and
all Persons fatigu'd with Gleet or Seminal Weaknesses of any
Sort, or Weaknesses of the Urinary Vessels, who take it, will
in three Days time find it so very effectual, that they will be
most agreeably surpris'd at it.

When a Medicine will infallibly accomplish such a safe,
speedy and perfect Cure of such difficult Maladies, as Gleet
and Seminal Weaknesses are, as this Great Remedy truly and
directly will, even after all other Means and Medicines have
been tried in vain; too much cannot be said in it, and this
All who ever took it for any of the above-mention'd Purposes,
have readily declared.

The Price is but 6 s. a Pot, altho' for its absolute Efficacy,
one Pot alone being sufficient in most Cases to accomplish
a Cure, worth ten times as much, and by the Author's
special Appointment, is to be had only at Mr. Radford's
Toyshop, at the Rose and Crown against St. Clement's
Church-Yard in the Strand, ready sealed up, with a Book of
Instructions, which whomsoever carefully reads will perfect-
ly know, when the Gleet or Weakness he is afflicted with,
succeeds a Venereal Injury, whether all the Malignity of
the Foul Disease is entirely eradicated or not.

Note. Ask only for a 6 s. Pot of Balsamick Electuary.
